

St. Boswells Curling Club

The main aim of our curling is to enjoy it. Curling is a social sport and all ages can play. Beginners are very welcome to come and give it a try. The season begins at the end of September and ends during March.

St. Boswells Curling Club has been around for over a hundred years and we used to play on a curling pond in St. Boswells when the weather allowed. Things have changed a bit since then and we now play inside at the Border Ice Rink, Kelso. Although if the chance to play outdoors does occur then there are always curlers ready and willing to participate as it is a very enjoyable occasion. As well as playing Club competitions, members participate in the Ice Rink competitions against Clubs from the Borders and other Ice Rinks in Scotland.

Members come from St. Boswells and the surrounding area in the Scottish Borders. Everyone is welcome to join our friendly club. New members are always welcome. If you need any more information please email stboswellscurlingclub@gmail.com
