If a draw function is arranged, this will be advertised in the rink and on the BIR web site. Members who subscribe to the website will be notified by email.

It is preferred for all members to pay by Standing Order.

Regulations allow a membership of 10% over the description of 200 members and should be informed by a + after the 200.

Any winner in the first three month who has not paid will have their membership deducted from the winning value.
