### Other business

Chairman - the Chairman noted that the finances are still bearing up thanks to the £25,000 grant from Scottish Borders Council. He also noted that the income this year has been low, but grants have been applied for and the furlough scheme was being used. Mr Baxter had been put on 80% furlough and his assistant Mr Josh Hogarth had been put on 100% furlough. The Board were waiting to hear from Sport Scotland about the ice rink funding application and should be told the outcome of this by the end of the week. The Chairman explained that £120,000 had been applied for.

The Board, Mr Baxter and Mr Hogarth were thanked for all their work throughout the year, and Mr Hodge was welcomed to the Board. That Chairman asked everyone present to be positive and spread the news that the Rink would open as normal in September. It was also noted that there was a need to reassure older members about playing curling and a need to attract younger players.

The Chairman noted that things were still up in air. As such there had not been a lot of progress with the Trust but this was to be addressed in the coming weeks. Similarly there was also a reluctance to spend money on the replacement of the roof so this will be deferred until after the upcoming season to see how things pan out. After that, a decision would be taken about replacing the roof or simply cleaning and repairing it. The Chairman reassured members that, notwithstanding this, money would continue to be spent on keeping the building and roof wind and watertight.

Mr Sutherland asked if a newsletter could be sent out members to let them know what is happening. The Chairman confirmed a newsletter would go out mid-March once the outcome of the Sport Scotland grant had been received.

The Chairman then thanked everyone for their attendance.

Close of Meeting - The business of the meeting having been concluded the Chairman declared the meeting closed at 6.30 pm.
