

Duns Curling Club has been established for over 200 years and has been associated to the Royal Caledonian Curling Club for over 150 years. We play at Kelso Ice Rink in the Borders of Scotland.

New members are always welcome. Whether you are a seasoned veteran or someone who has never curled, we have a place for you and will be happy for you to join us. If you have never tried the sport before and just want to give it a go then why not contact us and come along to one of our try curling events. Age is no barrier, from 8 to 80 you will find everyone can take part and there are competitive events for all. Existing curlers moving to the area or simply looking for a second club for more curling are welcome too.

We are keen to ensure that everyone who wants to be involved can enjoy themselves. We offer good spirited competition within the club with a mixture of leagues, a knock out competition and an annual pairs event. We are also involved in several other competitions, outside our own club curling, including The Tweedmouth Kettle (which is organised by Duns but is open to other clubs), The Berwickshire Bonspiel, The Border Bonspiel and The Border League to name but a few. This allows competitive competition at all standards.

As you can see the club has a busy schedule of activities. The club is run by the members for the members and we are keen that everyone should enjoy the sport. Members can choose to take part in all club competitions or choose individual competitions to join in.

If you would like to find out more about our club activities or perhaps want to give curling a try but didn't know how to go about it, why not contact us?

We welcome players with all levels of experience and skill.
