President: Matthew Tile

Treasurer: Colin Hanley

With origins dating back to 1790 when curling was on a purpose made pond at the top of Lanton Hill, Jedburgh is a small, friendly club welcoming members of all ages and abilities. We have several club competitions over the season including joint contests with other clubs and participate in Province competitions too. We encourage progress by rotating Skips and even having regular skips play lead in one competition! We are always open to new members whether new to or returning to the game so come along and join us - make some new friends and have fun!

This is our fixture list for the first half of the 25/26 season:
